

```
package Ass_practice_project1;

public class DoWhileLoop {

    public static void main(String[] args) {
        int num = 1;
        do {
            System.out.println(num);
            num++;
        }
        while(num<5);
    }
}
```
